## Austin or Bust & other Thoughts

Boy, what a thrill! I got to go to the LDAT Convention this year in Austin, TX. Usually Karen goes along with someone else. This year there were no volunteers to go and I could get off. What luck! It has been several years since I was able to go to an LD conference. It was great to be

## Lending Library to be Reinstated...

Many years ago the Dyslexia Foundation had a video, book, and audio tape lending library for our members. As with most things however, people would borrow and forget to return. So we ran out of things to lend and we had to closed the library. The Board of Directors met recently and decided to try again. The library will begin again in the Spring Semester

## Note from the Prez

Fall 2005 semester on Saturday School has come and gone; and it did it in a hurry too! This was an interesting semester. We had no calamities or earth shattering events. What did happen was that I got to attend the Learning Disabilities Conference in Austin, TX. in November. I really enjoy going to conferences because in Memphis no one understands what we at the Foundation are trying to do or how we are trying to do it. They act like the method we are using is so unusual, but then suddenly we are at the conference and everyone understands our methods because they use them also. It is so much fun.

I know each of you give up so much to be here each Saturday Morning. I also know that you are always wondering if what you are doing will really make a difference; well each of you must make that decision for yourself. But, I am here to tell you that for me the Saturday Program made all the difference between a life without reading and one with reading and life with low self esteem and a child with good self esteem.

Recently a group of our people asked permission to start a Saturday Program in Columbus, MS. I can not tell you how great it felt to know that more kids are going to be helped. But the really neat thing is that a group of us have been asked to go and speak to the new parent's group. One of our graduate asked if she could go and speak to the new parents group and tell them how much this program has helped her. If our children feel this program helps, then it helps.

**Just a reminder!** Students **MUST** attend either the fall of 2005 or the spring of 2006 semester to be eligible to attend the summer program for 2006. If circumstances beyond your control prevent you and your child from attending one of these semesters, you must petition the board for permission to attend the summer program.

that you might like to donate. You might also look around the house for something that is collecting dust that you might like to donate too. We will take anything for our auction (or store). Ask businesses that you shop at if they would like to donate something. Ask restaurants where you dine if they would like to donate a dinner. In the past we have had gift certificates to the Pink Place, Putt Putt, Memphis Little Theater, and more. Be creative and make a basket of neat things...an art basket, a reader's basket, a coffee lover's basket, etc. This is a fun evening and everyone has a ball. So bring the family and friends and come have dinner—vote for your favorite board member—hear a brief talk from someone interesting—and find a bargain at the silent auction. Just come and have FUN !! See you at St. Francis of Assisi School ( the same place we have Saturday School) at 2100 Germantown Parkway at 6:00 p.m. on April 22, 2006 in the Lower school gym ( just follow the signs) cost is \$5.00 each person or \$25.00 per family for a delicious Bar-B-Q dinner ( we have salad and hot dogs too). Come one Come all for all the fun you can stand!! See you there!!

### Do You Have An E-Mail Address?

Would you like to save the Foundation some money and get your newsletter sooner? We have realized after much prodding that it is very cost effective to have the News Letter sent to those members who are into e-mailing by using e-mail instead of snail mail. So E-mail us your address and we will e-mail you the next news letter. You can even e-mail us your application if you want to...My aren't we becoming techies.

Thanks

Please send an e mail request to:

An acknowledgment will be sent confirming your request as quickly as possible.

around people that really believe in dyslexia and learning disabilities in general. There were so many great presentations and workshops that Karen and I planned our itinerary with great enthusiasm and care to make sure we could attend as much as possible.

Day 1 – Karen went to “Mastering Learning To Master Test, Content, Lessons and Critical Thinking”...boring stuff to me. Karen thought it was important so she went to that knowing how poorly I take notes. I got the good assignment. I went to hear Karen’s favorite speaker, Rick Lavoie. I wish all of you and especially your children’s teachers could have heard him. Rick Lavoie made so many suggestions that could help you and your child’s teachers. Then I remembered that you can hear him speak. He is going to speak on January 27 & 28 in Columbus, Ms. I hope that if there is anyway possible, you will make the effort to join us to see and hear him in Columbus, MS. It would be time and money very well spent. Rick Lavoie has a fantastic presentation with stories that warm your heart and bring a tear to your eyes. His ideas about how to teach and treat our children are wonderful and his delivery is something that must be experienced.

Days 2 and 3 just added to my enjoyment and knowledge. Although I must admit, several of the presentations brought back many unpleasant memories of my school days. In the “old days”, Dyslexia/LD was not known about and I grew up being told, “You’re smart, if you just tried harder you could do it”. The problem is, in the Memphis area, things have not changed a lot in the past 50 years. I came to the realization that the best way you can help your child is to attend conferences, do research and learn how to be your child’s advocate. Conferences give you the boost in spirit to continue. The research gives you the knowledge you need and being your child’s advocate is the most important and hardest job of all.

You have taken an important first step in your child’s future by joining the foundation. However, it does not stop there. After growing up LD, having two LD children and being in the Foundation for 25 years, I have discovered that there is no quick and easy cure. Having an LD child is a lifetime commitment for you and your child. The decision is your’s to make. Do you take the easy way out and let the system take care of your child’s education and future or do you get involved? Take a large step and join us for the conference in January. I have an idea, let’s make it a party. Several of us are going down in a group to have a great weekend. Call Karen, 337-8731, for details about the Columbus trip. I know I’m going ... what about you?

of 2006. There will be a one time deposit of \$50.00 to become a member of the library. Then a \$5.00 charge to borrow each video or DVD and \$2.50 charge for each book, audio tape or CD. As long as the items are returned in a timely fashion ( two weeks) the member may continue to borrow items. When the member no longer wants to borrow items the deposit will be returned. If for some reason an item is not returned, the deposit will be fortified to cover the cost of replacing the item. By charging a small fee to borrow items, the library can build up a fund to add additional items to the library. Hopefully everyone will enjoy having a convenient way to learn about Learning Disabilities and we can have a super library. Joyce Futrell has agreed to be the librarian. Thank you Joyce! And Thank You Board of Directors for giving us a second chance to have a library.
